RE: Your Public Records Act Request, 2019-02588

Dear Mr. Anderson:

This letter is in response to your online request, received by the Attorney General's Office on November 8, 2019, seeking records of joint efforts between Nevada and California to combat human trafficking and related crimes.

Please be advised that we must respectfully decline your request, as the requested records are confidential law enforcement records of the Attorney General. Government Code section 6254, subdivision (f), expressly exempts from disclosure investigatory and security files of the Attorney General, which do not lose their exempt status due to the close of an investigation. (Dick Williams v. Superior Court (1993) 5 Cal.4th 337, 354-355.)

Sincerely,

A handwritten signature in blue ink, reading "Amanda G. Plisner", is positioned above the typed name.

AMANDA G. PLISNER
